

PURPOSE AND AIMS

Sharps' at Waterford is a 520 acre working farm. The purpose of the tours is to educate children and adults in agriculture in an informal, hands-on atmosphere supplementing the classroom. We aim to coordinate offerings with school curricula, and will be pleased to work with teachers and other group leaders prior to their visit to maximize the value of your experience at Sharps Farm.

POLICIES

RAIN: The farm is open and our tour guides are ready rain or shine. If you wish to postpone your trip due to rain, please call early on the morning of your trip to reschedule so our tour guides do not prepare needlessly for your visit.
